You know what you can learn from this situation?
Huh? What?

Like what, specifically

I think you understand what I'm getting at

At this moment, if even one person were to break down, everyone else will just follow

Haven't you noticed that your friends are watching themselves around you?

So what do you do?

You take this opportunity to practice endurance

Don't carelessly ruin the atmo-sphere

That son of a bitch.

I also don't want others to constantly console me.
But really? Don't ruin the atmosphere?

Gyutae

Huh? Were you waiting for me?
Yes

Earlier today... Why?
What?

Why did you come to my classroom to start a ruckus?
What? I was looking for Yeonseong.

You did it on purpose. You know that things aren't good between me and Yeonseong.

Fuck you!

Hey, aren't you the one asking me questions? Aren't you the one randomly picking a fight with me?

Joking around? When did I do that?
IT'S UNCOM-FORTABLE FOR YOU TO BE HANG-ING AROUND OUR CLASSROOM!

I'm also suffering
So let's just stop this now

Gyutae has an explosive temperament and has a fist before words style.

Kim Gyutae

If I say something to offend him...

Ah, what the hell

Well, it'll only be one punch.
